

SESA SYSTEMS ACADEMY

WORLDWIDE EXCLUSIVITY

A SPACE AND THINK TANK DEDICATED FOR BUSINESS ENTERPRISES

The 300 sq. metre ideas laboratory is a discovery circuit of industrial situations that will send you home with a head full of ideas and innovations. This new company-oriented space is a place for visits, conferences and exchanges—and for looking to the future.

WHAT IT OFFERS

PRESENTATION & SIMULATION

SESA SYSTEM products shown in an industrial environment.

ADVICE & DEMONSTRATION OF SESA SYSTEMS KNOW-HOW

Support for companies in strategic planning to implement practical solutions.

SUPPORT

Diagnostics and advice on the best LEAN Management tools adapted to the surroundings.

DESIGN OF SPECIFIC TOOLS ADAPTED TO THE NEEDS OF THE COMPANY

SESA SYSTEMS selects and configures tools for workstations. Easy to use catalogue with indexed reference.
