

# MAINTPOST 800A

## Tool-holder workstation

WORKSHOP FURNITURE

### Application

- Workshop
- Industry
- Lean Manufacturing
- Maintenance
- TPM

The TPM maintenance station MAINTPOST 800A is associated with machines and environments that needs tools for immediate maintenance. A very compact solution allows implementation in production with numerous options that permit you to optimise working conditions as well as a clean, tidy and rational space.

- Steel base protected by grey epoxy paint, anodised aluminium pillars
- Stratified plate
- Back panel in grey lacquered steel sheet in order to fasten the hooks on anodised aluminium structure
- Punched baseplate with 38 mm/1.49 Inch hole centres.
- Upper optional sliding doors, to be ordered with the station
