

ANTI-FATIGUE MATTING I

Ergonomic Anti-fatigue Matting

NEW

The anti-fatigue mat relieves back and leg pain caused by regularly standing up at work. Our anti-fatigue mats cushions steps and ensures softer movements which helps combat musculoskeletal disorders (MSD).

- Anti-fatigue property
- Closed-cell virgin PVC foam
- Bevelled yellow edges to reduce the risk of falling
- Adapted to dry indoor environments

Application

Assembly, Workshop, Ergonomics, Industry, Lean Manufacturing, Production
