

Warehouse protections

ADHESIVE PROTECTIVE STRIPS

Yellow and black adhesive protective strips are very easy to put in place. This is an economical way of optimising personal safety and protection in work and living areas. The tape is easy to attach using a double-sided adhesive. This foam protection makes it possible to pinpoint and secure all places where there is a risk of hitting your head: corners, edges, machinery and low head heights.

- Available in 2 sizes
- Flat surface and sides
- Flexible bearings
- High density thanks to durable polyurethane foam
- Yellow and black striped to indicate danger

Application : Workshop, Marking, Warehouse, Information, Safety, Signaling

140255	Set of 6 protective yellow/black strips L 1190 x D 100 mm / L 46.85 x D 3.94 Inch	On stock	In batch
140256	Set of 6 protective yellow/black strips L 1190 x D 250 mm / L 46.85 x D 3.94 Inch	On stock	In batch
