

DOCAFLEX WALL-MOUNTED

Wall bracket with pivot sleeves

VISUAL MANAGEMENT

Application

- Display
- Communication
- Documentation
- Information
- Visual management
- Protection

The Kit DOCAFLEX pivoting wall stand with pockets is a true information centre that effectively combines the organisation and dissemination of information for use in a difficult environment: dust, greasy marks. Multifunctional, it makes information visible where it needs to be read! Unlimited extension by simply coupling units together side by side.

- Available formats: A4/A3 – portrait/landscape.
- Wall unit colour: light grey
- Material: metal
- Equipped with 4 lateral stoppers for cleaning pockets. 10, 20 or 30 A4 display pockets in various colours (blue, red, yellow, green and black).
- Index tabs (neutral/coloured inserts) for 10, 20 or 30 pockets.
- *Delivered with mounting kit and set of 5 index tabs*
