Cleaning and disinfecting

FACIAL PROTECTION VISOR

Protect your face from dust and splashes with the facial protection visor. This PET face shield will protect your entire face (eyes, nose, mouth). For a good fit and reliable protection, the hygienic face visor is equipped with an adjustable Velcro strap to fit any head size.

- The crystalline PET plastic provides good visibility.
- Protects the entire face from dust and splashes.
- Quickly fits on the head thanks to its attachment system
- Easily adjustable to different head sizes

Application : Safety accessories, Workshop, Personal protective equipment, Warehouse, Industry, Protection

160106	Set of 5 Facial protection visor safety	On stock	In batch

HYDROALCOHOLIC GEL

Hydroalcoholic gel is an antiseptic which is used for hand disinfection. It is often used as an alternative to soap and water for hand washing.

- Hydroalcoholic gel allows effective disinfection of hands
- Practical, it has the advantage of requiring neither water nor towel
- Fast, 30 seconds of friction is enough to eliminate 99.9% of bacteria and have clean hands

Accessories:

- Gel pedal dispenser ref 160143 or 160144
- Metal bottle holder ref 604016

Application : Offices, Workshop, Industry, Protection

160140	Hydroalcoholic gel 60 bottles of 100 mL	On stock	Per unit
160141	Hydroalcoholic gel 12 bottles of 500 mL	On stock	Per unit

HYDROALCOHOLIC GEL DISPENSER

The hydro-alcoholic gel column allows to deliver a portion of gel without any contact. By stepping on the pedal, the spout lets the liquid flow. This protects the employees. This gel dispenser is robust and durable. Recommended bottles of hydroalcoholic gel to go into the column should be 300 to 1000 mL.

- No contact - 100% mechanical
- The hydroalcoholic gel is delivered thanks to a foot pedal
- The distributor reduces the risk of spreading the virus and protects employee

Application : Offices, Administrative Services, Reception, Administration, Workshop, Warehouse, Industry, Protection, Safety

160143	W 310 x H 1000 mm	On stock	Per unit
160144	W 310 x H 1000 mm stainless steel	On stock	Per unit

DISINFECTANT WIPES

Distributive box of 100 wipes impregnated with a bactericidal, fungicidal and virucidal solution for antiseptics of the hands, disinfection of tools, objects and surfaces.

- Ideal for non-rinsing disinfection of all surfaces.
- Dries quickly and leaves no residue.
- Ready-to-use, single-use cleaning and disinfecting wipes.
- Packed in a very practical and economical dispenser box.

Application : Workstation accessories, Workshop, Warehouse, Industry, Lean Manufacturing

160142	Box of 100 disinfectant wipes	On stock

Mark your floors for social distancing

● Adhesive pictogram 2M

With this new ground marking, promote the respect of social distances between your customers, visitors or employees. This visual indicator will allow you to quickly mark your floors to inform and guide users in an effective way. It will thus be easier to respect confidentiality limits or safety instructions and ensure a social distancing, currently imposed.

Using the tape or adhesive ground marking pictograms, organise and identify your different areas without further ado: delivery, queuing, etc.

149290	Kit of 2 pictogram sticky EXTRA Ø 100 mm : Keep your distance 6FT English	On stock	In batch

MARKING TAPE 50 MM / 1.97 INCH

Roll of industrial marking tape

APPLICATION

Ground localisation of:

- Production
- Storage
- Aisles
- Filing

STANDARD

Installation on the ground is quick and effective for a visual look that is rigorous and effective

MEDIUM

Excellent value for money, for one of the working environments with light or moderate passages of pedestrian trolley

REINFORCED

Its smooth, easy to clean surface withstands twisting stress from castors.

It's an excellent choice for markings on new or renovated factory or retailers' floors and as a tool for least cost management or 5S programmes.

For work environments with mild to moderate fork lift traffic. Installation on the ground is quick and effective for a visual look that is rigorous and effective

EXTRA

The ideal choice for work environments featuring tough conditions, with no increase in thickness

Its feathered edges are a big advantage in eliminating stumbling risks.

Optimum adhesion on porous or uneven floors.
